Dear AGC Members,

Happy Labor Day to everyone! Although Labor Day signals the unofficial end of summer, we are looking forward to a lot of great days at Alexandria Golf Club before the 2022 golf season comes to a close!

We continue to have a lot of exciting things happening at AGC. The golf course is in fantastic shape and the grounds, clubhouse and flowers really look spectacular. I hope you all can come out and enjoy AGC over the next few weeks.

ANNUAL SHAREHOLDER MEETING

Please remember our **Annual Shareholder Meeting which will be held this Friday, September 9th from 5pm to 6:30pm**. Complimentary appetizers will be offered to everyone in attendance, and we will be providing a review of the year and highlighting our preliminary 2022 results and our 2023 forecast. We will also be announcing the results of shareholder votes taking place this year. If you would like to review this year's ballot and vote online, I've attached a link below to my President's Message from August 19th that provides all the pertinent information:

THE LITTLE DARLING PAR 3 COURSE UPDATE

The proposed Little Darling Par 3 Course continues to generate a lot of excitement at Alexandria Golf Club. As I have said previously, but it bears repeating, the successful completion of The Little Darling Project will positively impact AGC, the Alexandria Community, and our children for generations to come. I am confident it will be the single biggest improvement and enhancement to our club since our inception some 107 years ago! I hope each of you will get behind this exciting project and consider a generous contribution to ensure its successful completion. It will be my primary focus for the next 18 months as I firmly believe it will grow our club, our community and strengthen the character of our youth who will be the leaders of tomorrow.

Our early fundraising efforts have been very encouraging and are progressing nicely. I am excited to inform you we already have 5 commitments for $100,000 contributions to the project with numerous other large contributions pledged. Many of our generous members and community friends have captured the vision of what the project can deliver to our area families and youth and are stepping up in a big way to support the effort.

If you have not taken a tour of the proposed course layout and property, I encourage you to do so. I am in town and available all week and would be happy to personally give you a tour. Touring the property and proposed course will spark your excitement for the project and help you fully understand the benefits it will generate for everyone. For those of you who are out of

town or unable to tour The Little Darling Project in person, we have created a short video that highlights the project and gives you an aerial view and description of each hole on The Little Darling Course. My thanks to Dr. Dan Kryder for his help in filming and putting the video together. I hope you enjoy it! You may view the video by clicking on the link below:

I have also included in this communication a summary of options for contributions, an anticipated rate schedule for The Little Darling Par 3 Course and a list of Frequently Asked Questions (FAQs) and answers that might be helpful.

Feel free to contact me (jar5858@gmail.com or 216-978-5497), David Kjos (kjosnews@gmail.com or 320-760-5955) or Bruce Leland (baleland@gmail.com or 320-805-0141) for additional contributor information or for any questions you may have.

Thanks for your support of a project that will strengthen our community, our youth and AGC forever! Let's make it happen together!

All the best,

Jerry Rose
AGC President
